

# AO Trauma Symposium

## Advances in Intramedullary nailing

**16.May 2014**

Radisson Olümpia Hotel, Tallinn

### 09.30-10.00 Welcome coffee

**10.00-10.05** Introduction

**Andrey Smirnov**

#### **I Session: Upper extremity**

**moderator:**

**Marcis Radzins**

**10.05-10.15** Complications after Intramedullary nailing of the clavicular fractures

**Janno Atna**

**10.15-10.25** Nailing of proximal humeral fractures

**Marcis Radzins**

**10.25-10.35** Is there any place for the humeral shaft nailing?

**Alo Kullerkann**

**10.35-10.45** Nailing of the forearm fractures

**Alexander Chelnokov**

**10.45-12.05** Case discussion: Intramedullary nailing of the upper extremity fractures (3 to 4 cases)

**all faculty**

**10.45-11.05** 1 case

**Janno Atna**

**11.05-11.25** 2 case

**Marcis Radzins**

**11.25-11.45** 3 case

**Alexander Chelnokov**

**11.45-12.05** 4 case

**Alo Kullerkann**

**12.05-12.10** Upper extremity nailing: summary

**Marcis Radzins**

### 12.10-12.30 Coffee break

#### **II Session: Femoral fractures**

**moderator:**

**Andrey Smirnov**

**12.30-12.40** Complications after nailing of the proximal femoral fractures

**Andres Niineväli**

**12.40-12.50** How to bail out of a poorly made osteosynthesis of the proximal femur

**Alexander Chelnokov**

**12.50-13.00** Intramedullary nailing of distal femoral fractures. Does the nail loves the plate?

**Māris Zambrāns**

**13.00-13.15** Nailing with Stem Lengthening in Periprosthetic Femoral Shaft Fractures

**Alexander Chelnokov**

**13.15-13.55** Case discussion: My best case of the femoral nailing ( 2 cases)

**all faculty**

**13.15-13.35** 1 case

**Andres Niineväli**

**13.35-13.55** 2 case

**Māris Zambrāns**

**13.55-14.35** Case discussion: My worst case of the femoral nailing (2 cases)

**all faculty**

**13.55-14.15** 1 case

**14.15-14.35** 2 case

**Jaan Laos**

**Andrey Smirnov**

**14.35-14.40** Femoral fractures nailing: summary

**Andrey Smirnov**

**14.40-15.10 Coffee break**

**III Session: Tibial fractures**

**moderator:**

**Maksim Lugovskoi**

**15.10-15.20** Intramedullary nailing of the tibial fractures: Tips & Trics

**Maksim Lugovskoi**

**15.20-15.35** Reamed vs unreamed tibial nailing: the update

**Janno Atna**

**15.35-15.50** Nailing of the open tibial fractures

**Karl Pintsaar**

**15.50-16.20** Case discussion: My best case of the tibial nailing ( 2 cases)

**all faculty**

**15.50-16.05** 1 case

**Maksim Lugovskoi**

**16.05-16.20** 2 case

**Marju Kelviste**

**16.20-16.45** Case discussion: My worst case of the tibial nailing (2 cases)

**all faculty**

**16.20-16.35** 1 case

**Andrey Smirnov**

**16.35-16.45** 2 case

**Andrey Smirnov**

**16.45-16.50** Tibial fractures nailing: summary

**Maksim Lugovskoi**

**16.50-17.00** Final summary

**Andrey Smirnov**

**17.00-17.30** Meeting of the AOTrauma Estonia members

**18.00-21.00 „Meeting of experts“ Final discussion/Dinner of the Symposium**

**Chairpersons:**

**Dr. Andrey Smirnov**  
East-Tallinn Central Hospital,  
North Estonia Medical Centre  
[andrey.smirnov@itk.ee](mailto:andrey.smirnov@itk.ee)

**Dr. Timo Rahnel**  
North Estonia Medical Centre  
[timorahnel@yahoo.com](mailto:timorahnel@yahoo.com)

**Faculty International:**

|                     |  |        |
|---------------------|--|--------|
| Alexander Chelnokov | Ural Scientific Institute of Traumatology and Orthopaedics | Russia |
|---------------------|--|--------|

**Faculty Regional:**

|                |   |        |
|----------------|---|--------|
| Marcis Radzins | Hospital Of Traumatology and Orthopaedics, Clinic Ortomed | Latvia |
| Māris Zambrāns | State Hospital, for Traumatology and Orthopaedics         | Latvia |

**Faculty Local:**

|                  |                               |         |
|------------------|-------------------------------|---------|
| Alo Kullerkann   | East-Tallinn Central Hospital | Estonia |
| Andres Niineväli | North Estonia Medical Centre  | Estonia |
| Janno Atna       | Pärnu Hospital                | Estonia |
| Maksim Lugovskoi | North Estonia Medical Centre  | Estonia |
| Karl Pintsaar    | Tartu Ülikooli Kliinikum      | Estonia |
| Jaan Laos        | North Estonia Medical Centre  | Estonia |
| Marju Kelviste   | Tartu Ülikooli Kliinikum      | Estonia |

**We look forward to your participation in this event!****Registration**

Register at [www.aotrauma.org](http://www.aotrauma.org) or by email [heli.teder@syntrade.fi](mailto:heli.teder@syntrade.fi). Registration is open.  
*Last day for registration is 9.may.2014 or until there are vacancies.*

**Course fee**

**Participation in the symposium is confirmed based the timely made payment to the bank account of AO Trauma Estonia** ( Eesti AO Alumni Seltsi ) – **221028579224 or IBAN: EE452200221028579224**  
Residents - 10€, Members of Eesti AO Alumni Seltsi and ETOS - 10€, Non Members - 20€.  
Please note on the payment explanation **“Advances in Intramedullary Nailing”**
